PRODUCTION RENTALS

PROP HAVEN will offer production rental discounts to our customers, but they are not automatic. They must be established at the time the order is placed with a customer service representative. (A production rental discount cannot be generated retroactively after an order has been made.)

Production rental discounts run as

follows:

First week Full price

Second week 50% discount

Third week 50% discount

Fourth week 30% discount

It is important to note that if orders are returned after the production rental time period expires, weekly late charges accrue at the rate of 50% of the first week rental.

Production rentals are billed in their entirety during the first week of the rental. We do not provide "credits" if the props are returned early.

Student discounts

Requests for student discounts (25%) will be submitted to a PROP HAVEN manager for approval. In order to process a discount, we will require:

- A valid student identification card.
- A letter from the school (on school letterhead) confirming that the order is for a student film. The letter should contain the name and phone number of a contact person at the school.
